APPOPLEXY IS FATAL TO QUINN WALKER

POPULAR OFFICIAL FOR THIRTY-TWO YEARS DIES SUDDENLY FROM STROKE

Quinn Walker county surveyor for 32 years, native Texan and popular with Milam County people for all the years he had been a resident of this county, died at eight p. m. Saturday March 31, 1928 following a stroke of apoplexy at his home on Friday night, March 30.

The death of Mr. Walker came with dramatic suddenness and was a severe shock to his many friends of a life time and to his family. He was at the time of his death assisting in the assessment of taxes for the assessor's office and on Friday afternoon was in the business district in pursuit of his duties. After supper that night he returned to town with his son. He was stricken on his return home that evening and was found in an unconscious condition, suffering from an attack of apoplexy. His son, Henderson Walker, summoned aid and he was removed to the hospital Saturday morning expiring at 8 p. m. of the same day.

Quinn Walker was a native of Lavaca county, Texas and was born in May 1867. The Walker family moved to Milam county when he was four years of age settling on the old Walker homestead in the Friendship community where he grew to manhood.

He was first elected to the office of county surveyor in 1894 and served until 1898. He was again elected in 1900 and was serving in this office when he died. He was popular with the people and numbered his friends by his acquaintances. He nearly always led the ticket in the general elections.

He was a faithful member of the Methodist church for a number of years at one time made the record of attending Sunday school five years without missing for which he received a Bible.

He was married to Miss Dollie Thatch and to them was born four children: Quinn Jr., Henderson, Mitt and Grace Walker. His son, Quinn Jr., died some years ago while a student in high school and his wife died two years ago.

Funeral services were held Sunday afternoon from the Methodist church where Rev. P. T. Ramsey, pastor conducted the services, assisted by Rev. H. G. Kenney of the Presbyterian church and Rev. N. S. Johnson of Davilla. From the church the Odd Fellows of which he was an honored member took charge, marching in procession. At the grave the beautiful ritual of the Lodge was read. The Coleman-Eplen undertaking firm directed the funeral arrangements.

Active pall bearers were W. W. Chambers, Roy Law, A. F. Mitchell, Chas. Swift, J. L. Adams and Jeff T. Kemp. The county officials were named as honorary pall bearers.

The death of Quinn Walker brings to the hearts of many an inexpressible sadness. He was loved and respected as few men may attain in the affections of his fellowmen. His life was an inspiration to his fellows and he will be mourned by them.

The Herald extends sympathy to the bereaved family and relatives.

CITY OFFICIALS ARE NAMED HERE TUESDAY

W. W. CHAMBERS NAMED MAYOR
AND WILL TAKE OATH
ON APRIL 17

Cameron voters elected officers for the ensuing term of two years in the regular election here on Tuesday, April 3.

The result was as follows:
W. W. Chambers, Mayor 107
Paul Webb, Attorney 107
J. C. Joseph, Secretary 107
Dan Tyson, Collector 108
B. Slocumb, Marshal 107
J. F. Brown 106
W. O. Triggs 108

The newly elected officers will take oath on April 17 the next regular meeting of the council.

The new members on the council are W. W. Chambers, Mayor and W. O. Triggs. For three terms Mr. Triggs served as alderman and is now back on the council and when this term expires will have served eight years on the board.

POOLE & SCHNEICK SHOW OPEN HERE SATURDAY

COMING HERE UNDER LEGION
AUSPICES—MANY NEW
FEATURES

The Poole and Schneick Shows, H. B. Poole, owner, will open their season in Cameron Saturday, April 7th, under the auspices of the American Legion and will show seven days in this city. Their people are arriving daily for the opening and everything will be in readiness Saturday night. A novel attraction that has been booked is the "Marlin Mummy," Andrew McCrew, who died there 15 years ago, and is a puzzle to medical authorities and scientists. The Minstrel Show will top the midway and the fat lady will be there. New rides have been booked and all in all the Poole Shows will take to the road better and different. The Legion is expecting large crowds as much expense has been incurred in securing this attraction. Another feature on the midway is the athletic show, where only the best in boxers and wrestlers will meet all comers. The American Legion will receive a percentage of all receipts of the big shows.

BOBBY JACKSON WINS DECISION FROM MOCO

SAN ANTONIO BATTLER SHOWS
GREAT FORM IN LACING
WACO FIGHTER

Bobby Jackson can fight!
Kid Moco is good and game!

Fight fans are praising these boys who met in a ten round fight here Tuesday night April 3 in the first of the American Legion Athletic Club programs. They see in Bobby Jackson a winner who will make things hot for the men of his division once he sets out for the top of the ladder.

Kid Moco, the original, is a young fighter, is game and good and while he was outclassed in his fight here with Jackson, he has in times past put up better fights.

Jackson won the decision by a wide margin, having complete mastery from the first round in which he sprang from his corner and cuffed the Moco about the ring, both men, however fighting cautiously at the middle of the period.

In the second round Jackson showed a flash of his real form, knocking the Kid down twice and one time for the space of two, although referee Walker did not toll off the seconds by counts. The Kid came up game and weathered that round, although it looked like he would go out. Moco won the seventh round by his aggression and by a punch landed squarely on Jackson's chin that for a moment staggered the soldier. All other rounds were taken by Jackson.

Jackson is a terrific hitter, is a finished boxer and will be seen here often in the Legion programs.

Moco appeared not to be in first class condition and his showing for this reason was not up to his usual standard.

Jackson never at any time during the fight was forced to extend himself clinching often saved Moco from a knockout and the referee was constantly parting the men.

A good sized crowd saw the match and the preliminary fights. Weather conditions prevented many from attending. It is predicted that the next fight card will bring out a crowded house.

The curtain raiser was a four round draw between Jimmy Reynolds and L. Matula, both men mixing well.

Earl Thompson substituting the last minute for Vaughn Jenness won from Billie Broze when the Yarrleton flash gave it up in the third round. Thompson is a real puncher and although losing the first round to Broze came back and won the fight.

Carl Eans substituting at the last minute for Doyle Rice went in the ring and fought Joe Gurecky, winning the decision in the semi-final event. Gurecky who was suffering from cold was not in his usual form, however Eans outboxed the Joe. Fans here want to see them again when both men will extend themselves and hammer it out in good fashion.

Summing up the card, fans are well pleased with the show. They want to see more of them and the Athletic Club is planning some big times for the fight fans.

GEN. FELIX ROBERTSON BECOMES A CATHOLIC

ONLY SURVIVING BRIGADIER
GENERAL OF CONFEDERATE
ARMY JOINS AT WACO

Those who are under the sincere impression that the Pope insists on seeking temporal power should find their fears abruptly ended in the action of General Felix H. Robertson. Less than two weeks ago, after taking instructions, the General became a devout communicant of the Catholic church at Waco. It was his own voluntary decision.

General Felix H. Robertson is the last Brigadier-General living today. Incidentally he is the only native Texan who ever attained that distinction. The General resigned as a cadet in West Point when war between the states was declared, and took up arms in defense of his beloved Southland. He took part in some of the most noted battles, winning distinction in every engagement in which he participated. For six years he was commander of the Texas Division, United Confederate Veterans. He represented Texas by appointment from Governor O. B. Colquitt when the 50th anniversary of the battle of Gettysburg was commemorated in 1913.

Chicken Theft Law Is Annulled; Held Unconstitutional

Austin, April 4.—A statute purporting to make theft of chickens and other fowl a felony was held unconstitutional Wednesday by the court of criminal appeals.

The court found objection in the fact that the act's caption made the theft either a felony or a misdemeanor and held this too indefinite. Senator Pierce B. Ward, Cleburne, drew the bill, which was passed during the Thirty-Ninth legislature.

Two chicken theft convictions against Dick Redding, Franklin county, were reversed in the ruling.

Prompt Service Given By Telephone Company On Call to New York

Telephone service over the Southwestern Bell keeps step with progress.

Tuesday night at eight o'clock Dr. Elbra Monroe called Fred Sampson in New York City and the call was put through in less than thirty minutes by one of the night operators. Dr. Monroe talked to Mr. Sampson about the condition of his father, T. G. Sampson who is to be operated on here soon. Fred Sampson will leave for Cameron at once.

Snake Is Added

A Diamond Black Rattle Snake, Texas' own reptile, has been added to the corner stone of the filling station now being erected in Cameron by R. L. Batte.

In addition to the reptile two horned frogs have been placed in the stone. The reptiles are so placed as to be seen through thick plate glass.

GOOD RAIN BENEFITS FARMERS OF COUNTY

TOP MOISTURE NEEDED FOR
PLANTING OF CROPS FURNISHED BY SHOWERS

Surface moisture needed by farmers has been furnished by slow rains falling over the county for the past two days and farming will go forward rapidly.

In many sections of the county cotton planting has been in progress for the past week or more. All corn and small grain is well advanced and the prospects are better than for many years.

It is said that the farmers of the county will cut their cotton acreage this year and join the general movement to restrict the production of cotton.

A Correction

The name of Mrs. J. D. obbins who contributed \$50. for the construction of our church was left off the list published last week. We sincerely regret this oversight.

F. J. BECKERMAN IS ELECTED PRESIDENT

FRANK LESOVSKY, VICE-PRES.
J. C. TUCKER, TREASURER
OF COMMERCIAL CLUB

F. J. Beckerman was unanimously re-elected president of the Commercial Club, Monday night; Frank Lesovsky was re-elected vice-president and J. C. Tucker was elected treasurer all by acclamation.

The following named were elected directors:

J. D. Dobbins, J. E. Mangum, S. M. Burns, George T. Graves, R. H. McIntosh, W. H. Shipp, J. C. Mayfield, J. A. Sustek, J. C. Young, F. E. Jackson, George Banzhaf, C. W. Lawrence, W. O. Newton and W. R. Hoover.

Wool Pool In Coryell

The wool pool shipped 30,000 pounds of wool which brought 3c a pound above wool outside of the pool.—E. T. Nagle.

Cotton farmers could learn a valuable lesson from this. Not only is co-operative selling beneficial but the one crop system should be abandoned.

At Wayside Saturday

On Saturday night April 7 J. D. Lewis will furnish music for the big dance at Wayside Inn, manager Elwood Cammer, announces. This popular orchestra is always welcome in the Wayside dance hall for dancers are always pleased with the program.

MOODY AND JOHNSON CLASH OVER PROHIBITION

CONE JOHNSON AND TOM LOVE
ATTACK PLAN OF GOV-
ERNOR AT DALLAS

Dallas, Tex., April 4.—Governor Dan Moody's "harmony plan" for welding Texas democracy on the prohibition question, which will be attacked here Friday night by Cone Johnson, probably will be defended here Saturday morning by Governor Moody himself. Meanwhile State Senator Tom B. Love predicted today that the plan will fail, "as it failed in Oklahoma."

Mr. Johnson, state highway commissioner and leader in the movement of the Texas constitutional democrats for a dry instructed national delegation, will speak here at 7:30 p. m. Friday and the governor, if he accepts an invitation tendered him, will speak at ten a. m. Saturday.

State Senator Love is announcing Mr. Johnson's address and predicting the failure of the governor's plan, pointed to the result of the Maine election yesterday.

The program carried out in Maine in the democratic convention is the Tammany Hall program," Mr. Love said. "Simply stated, it is to nominate Al Smith on a prohibition law enforcement program. The plan is to promote harmony by giving the bootlegger and old soaks control at the Houston convention. I predict this plan will fail in Texas as it did in Oklahoma."

A Correction

Last week in writing about the new filling station being erected by R. L. Batte we stated that the station would sell Magnolia gasoline and would be operated by Alfred Walschak under the direction of J. H. DuBois, district agent.

This is an error and was printed as such through lack of detail. The original contract was for the operation of the station by DuBois and Walschak but this arrangement has been changed and Mr. Walschak will operate the station by DuBois and the Magnolia will have nothing to do with the arrangements. Mr. Walschak will not sell Magnolia products.

Trustee Election

Saturday in every voting precinct in Milam County school trustees will be elected. Tickets for the election have been mailed out by Judge Jeff T. Kemp. In a few instances candidates are named but in most of the boxes there are no candidates announced and the names will have to be written on the ballots.

ARCHIE CROUGH MAY FIGHT JACKSON HERE

TEN ROUND MAIN EVENT FOR
MARCH 17 STIRS APPETITE
OF FIGHT FANS HERE

Fight fans are looking forward to the coming fight here between Bobby Jackson of San Antonio and Archie Crouch of Waco on Tuesday night April 17.

The American Legion Athletic Club managers have decided to withhold the card for Tuesday night April 10 on account of the Poole and Schneick Shows now showing under the auspices of the Legion.

Archie Crouch is one of the best men in this section, is a hard hitter and bids fair to make Boby Jackson, extend himself in their ten rounds on April 17.

Fight fans here and over this section are urged to watch for window cards and circulars advertising this fight which will be the second fight card program of the season for the athletic club here.

Better preliminaries will be offered and the card is expected to be much better than the Jackson-Moco fight although fans are well pleased with that card.

W. F. CROWELL PURIFIED TUESDAY AFTERNOON

NATIVE OF TENNESSEE AND
RESPECTED CITIZEN DIES
HERE SUNDAY

W. F. Crowell died at the family residence here Sunday afternoon April 1, 1928 following a long period of declining health and heart trouble.

Funeral services were held at the Methodist church at 3:30 p. m. Tuesday, April 3, 1928 with Rev. P. T. Ramsey, conducting the services and Green Bros. directing the funeral arrangements. Interment was made in Oak Hill Cemetery.

W. F. Crowell was born in Union City, Tennessee and had lived in Texas for a number of years. He was passed middle age and had reared a family of five boys. His widow survives him as well as his sons, one of whom is a student in the University of Texas. He was married to Miss Lou Ann Orr.

Mr. Crowell had been in ill health for many months and during that period neighbors were kind in ministering to relieve his suffering. His death came as a sad shock to many who knew him.

The active pall bearers were: Dr. David Smith, M. Janeway, Luther Roberts, Pat Gill A. Ruddi and Chas. Swift. The honorary pall bearers were Wm. Rogers, Penn Wolf, F. E. Jackson, T. A. Fisher, Guy Newton, R. H. McIntosh and R. P. Jeter.

HEBREW PASSOVER CEREMONIES BEGIN

DELIVERANCE FROM EGYPTIAN
BONDAGE COMMEMORATED; 2
CHURCHES HOLD SERVICES

Following one of the most ancient of Hebrew customs, commemorating the delivery of the Jewish people from bondage in Egypt, the annual ceremonies of the Passover commenced on Wednesday, to last through the week at Temple Rodef Shalom and at the Agudath Jacob synagogue. Wednesday evening at 6:15, prayer and song services were held at the Temple Rodef Shalom, followed by a supper served in the basement of the Temple. On Thursday morning Rabbi Wolfe Macht will hold services at 10:30 at which time he will discuss as part of the program, the book, "Slave Ship." Other services will be announced later.

At the Agudath Jacob synagogue, the Passover ceremonies were begun with a prayer service at 7 p. m. on Wednesday. Two prayer services will be held on Thursday—one at 8 a. m. and the other at 7 p. m. On Sunday a Passover festival will be held in the Hebrew institute. Services next Wednesday and Thursday will end the ceremonies.—Waco News-Tribune.

MRS. THOS. G. KIRK IS BURIED AT LIBERTY

PIONEER MOTHER, NATIVE OF
MISSISSIPPI, DIES OF
PNEUMONIA

Funeral services for Mrs. Juddie Cleo Kirk, wife of Thomas G. Kirk, were held Tuesday afternoon at three o'clock from the chapel of Liberty Methodist church with interment in the Liberty cemetery. Rev. E. A. Potts, pastor of the Liberty church, conducted the services.

Mrs. Kirk died Monday morning at an early hour following an illness of several days in which she suffered from a pneumonia attack. Her death came as a sad shock to many friends and neighbors over the community and the county, as well as to her devoted husband and their nine children.

Mrs. Juddie Cleo Kirk was born on August 11, 1867 and died on April 2, 1928. She was a native of Mississippi and came to Texas with her parents when a small child. This section was then a wilderness and few settlers had made their homes here. When the family came they set about as pioneers did in those days to make a home and to tame the wild lands of the southwest. Mrs. Kirk was a pioneer and in the home there was the atmosphere of southern hospitality and her family life was blessed with nine children all of whom survive her.

She was married to Thomas G. Kirk on October 1886 and had been a member of the Methodist church since childhood. Surviving her are nine children and thirty-seven grand children.

The funeral service was impressive, being held in the chapel at Liberty. Rain fell through the services but a larger crowd than could be seated under the tabernacle, came to pay their respects.

The Coleman-Eplen undertaking firm directed the funeral. The interment was in the Liberty cemetery where rests the remains of the Kirk's for years. This pioneer family is well known over a wide section.

The Herald extends sympathy to the bereaved relatives.

H. T. Pruett

Funeral services for H. T. Pruett were held at Sandy Creek church Tuesday afternoon April 3 with interment in Sandy Creek cemetery. Mr. Pruett, a pioneer citizen of Milam county died in West Texas and the body was brought back to the community in which he lived for many years for burial.

Mr. Pruett was a leader in his community and for a number of years served as trustee of the schools there and was at all times interested in the progress of the county. He is survived by a number of children and grand children.

The "Ghost Bird"

The Mystery Drama "Ghost Bird" will be given by local talent of the Cameron Dramatic Club at the Knights of Columbus Hall on Thursday night, April 12. This is a four act play with good vaudeville between acts. This play will be given for the benefit of St. Monica's church and the admission charge will be 20c and 35c.

COMMERCIAL CLUB UNDERWRITES GAS

ALL CONTRACTS TO BE MADE
GOOD AND WORK TO START
SOME TIME THIS MONTH

At Monday night's meeting of the Cameron Commercial Club, upon motion by F. S. Lesovsky, the club loaned its credit to the payment of certain post-dated checks on gas contracts. This action is understood to guarantee the coming of the gas.

The Secretary was instructed to get letters from the School Board, Telephone Company, Telegraph Company, the different oil companies and other corporations who will contract to use gas.

It is understood that the Community Gas Company will accept its franchise and go to work on the plant without much loss of time, according to F. E. Jackson, chairman of the Gas committee.

"KING or COMMONER?"

No. 10

ECONOMIC SIGNIFICANCE OF THE AMERICAN COTTON INDUSTRY—From latest volume in Manhattan Library of Popular Economics, republished in serial form through courtesy of Bank of the Manhattan Company, New York.

ARTICLE TEN AN IMPORTANT STEP

THE much-discussed year of 1926 was marked not only by misfortune but by the introduction of a new element of hopefulness; it saw the peculiarly American industry of cotton embark resolutely upon a peculiarly American course—that of voluntary cooperation. For some years there had been a wide sense of uneasiness, a sort of groping for better methods that betrayed a consciousness of lack, but this consciousness now led to the taking of an important step—the organization of the Cotton Textile Institute.

It may seem remarkable that a fundamental principle that has given America its pre-eminence in so many industrial lines, had never been applied comprehensively by one of the largest and oldest among them all. True, there had been some partial organizations; mill men of New England and of the South had their sectional bodies, and so had the merchants of New York City and the "converters" who transform rough cloth into finished forms. As we have seen, also, cooperative associations among growers had assumed considerable proportions and importance.

But in 1926, there was taken a step in real business statesmanship quite comparable with many examples of political statesmanship in that it directly affected the welfare—even the destinies of millions of people. It consisted in creating an institute broad enough to work for the entire cotton industry because its membership contained a large majority of all spinners and weavers, and because these realized that their real interests were harmonious with, and not antagonistic to, those of the cotton growers or the distributors of cotton and of cotton goods.

By combining at one point the fragments of knowledge possessed by sundry individuals and groups, vision might be cleared and extended. Cotton already had found a number of uses not anticipated by former generations. But it cannot be doubted that there is a great variety of additional uses some in which the superiority of cotton to material now employed, even at present prices, may be demonstrated to users, some which will reveal themselves as soon as the farmers have learned to produce cotton profitably at prices that will enable it to invade new fields and some, now unknown, that may be discovered through research.

One of the first things, therefore, to be realized is that desperate measures of crop restriction are basically unsound. The world needs more cotton, not less. It has been established that if the rest of the world consumed as much cotton per person as now is consumed in the United States it would require 75,000,000 bales a year to meet the demand, even without the development of probable new uses. While this may be generations in the future the world's population and its

per capita demand are increasing steadily, if gradually. The whole world produces but 25,000,000 bales and America's greatest crop, that of 1926, was only 18,000,000 bales.

Raise more cotton; that, say many, is the first lesson, because cotton is wealth—it is commercially fluid and relatively indestructible—and to this end, insist some of the far-sighted leaders, raise cheaper cotton, and learn how to do so at an even larger profit; that they aver, is the second lesson.

Cotton growing already shows a wide range in efficiency. Some farmers through intensive efforts, have found it possible greatly to increase the yield per acre and per man employed. Others, operating on larger acreages, have been able, through improved methods, mechanical aids and reduction of overhead to lower production costs to a marked degree. The new mechan-

ical cotton-picker is expected soon to relieve the "peak-load" labor problem, and eventually to displace hand picking.

All these developments are in the direction of more cotton per man—which is to say of cheaper raw cotton. Cheaper raw cotton means cheaper manufactured cotton. Cheaper manufactured cotton means an enlarged spirit of purchasing on the part of the great general public which no longer will feel that it must "get along somehow" on scanty supplies. Even without discovery of new uses, demand will soar and the entire industry and the entire nation will feel the stimulus of that enlarged prosperity which is certain to ensue when the modern spirit of organization and cooperation will dominate and unite its parts.

Albert Gersbach To Leave for Germany

Albert Gersbach of Burlington, was in Cameron Saturday getting papers prepared in the district court to Baden Germany and expects to sail from Galveston, May 22nd. Mr. Gersbach was born in Germany but came to Texas about fifty years ago and has lived in Milam county more than a generation. He is about 76 years old and expects to spend the remaining days visiting the home of his birth and that of adoption. Mr. Gersbach will be accompanied by his wife. Since their return to Texas is indefinite, Mr. Gersbach has left his property in the hands of a competent agent who will look after it during his absence.

Worth While Club

The Worth While Club of Jones Prairie met Monday afternoon March 26 in the P. H. McKinney Jr., home. Eight members were present. Several ladies answered roll call with a garden poem.

Mr. Banzhaf, county agent of Cameron made a helpful talk on "How to Cultivate a Garden, how to get rid of garden insects and how to prune tomatoes." He also pruned a few peach trees.

Miss Bartholomew gave some helpful suggestions on rose bush pruning.

The next meeting will be April 9, and we urge that all members be present. Always glad to have visitors and new members. Let every member bring a new member.

ROCKDALE TO VOTE ON STREET PAVING

ALSO GRANTS NATURAL GAS FRANCHISE TO COMMUN- ITY GAS COMPANY

The City Council in regular adjourned session yesterday, Mayor H. C. Meyer, presiding, received the petitions of W. E. Gaither and 250 other qualified voters, asking for an election to be called at the earliest opportunity on the question of issuing bonds in the sum of \$100,000 for street paving.

Immediate action was given the petitions, and the election order issued, naming Tuesday, May 1, 1928, as the day for the election. The proper legal election notice will be found elsewhere in this issue.

These petitions were in response to a decided expression of public opinion as to the need of this city for paved streets and in compliance with the regulations governing the calling of bond elections. The city council, it is well understood, has been ready for a long time to call the election if properly petitioned.

Retiring Mayor Meyer and Mayor-elect Gaither have made careful estimates and figures on the bond pro-

position, and find that \$100,000 in paving bonds may be issued without increasing the present tax rate one penny, and it is anticipated that there will be little, if any, opposition to the bond issue.

Rockdale citizens have been "gripping" about our rough streets for years and have been begging for street improvements. The city council, by ordering this election, has given these citizens the opportunity for getting what they want, and if public sentiment may be gauged by apparent popular demand this election will doubtless carry by the most one-sided vote ever registered in Rockdale on the question of issuing bonds for any purpose.

The Council at the same meeting heard the application for a franchise as asked for by the Community Gas Company, and said franchise was duly granted. The action on both bond election order and gas franchise was by unanimous vote. There was no shadow of opposition to either measure, the members of the Council being of one mind.

It is anticipated that the gas company will begin its work in Rockdale in the near future, and that the gas lines will be laid before any paving is done.—Rockdale Reporter.

Test On Streets Prove Remarkable Essex Quality

Tests of the Essex Super-Six car on the streets tell the story of its remarkable 1928 popularity, in the opinion of Horstman Brothers, Hudson-Essex dealer, who is studying and analyzing reasons for the success it has scored. His final conclusion is that no one quality could have made possible the consistent and growing Essex success—it must have taken a combination of many advantages.

"The handsome appearance of Essex cars," said Mr. Horstmann, is just the outward symbol of this thorough design and quality. Essex cars have always been favorably known for easy riding qualities, and these new cars are in line with their predecessors.

"Rarely does an engineering department combine qualities of easy speed,

fine braking power, smooth riding and effortless handling in a car as well as has been attained in this Essex Super-Six. In traffic it shifts quickly to the desired pace and the gears shift so smoothly that action with them in subconscious. A sudden swerve is needed and the wheel swings a finely balanced car as easily as a bicycle. There is a sudden stop to be made or a collision and the foot pedal is sufficient; quick acting stoppers grab the wheels like a giant hand.

"The street becomes rough and wavy; there is little jar felt and no necessity to 'hold on tight.' The seats themselves are evidently made for those who like to sit restfully. They are like chairs in a man's club.

"Impressions of this car, the wheel, the seats, the roominess, the sturdy power and strength make it a masculine automobile. It can be 'kicked around' a great deal. And the average man always asks 'How fast can she go?' At nearly a mile a minute it hugs the road without vibration or labor. The Super-Six principle of balance is at work.

"It is quick on the get-away, has that sweep of visibility demanded by modern drivers, is finished inside with the simply luxury that is in keeping with 1928 and it sings its song of the road with as little effort as a prima donna."

Branchville News

Brother Jameson was here to fill his appointment Saturday night and Sunday. There was a big crowd at Sunday school and church. The time for our meeting was decided upon and it will start on Thursday night before the fourth Sunday in June. If everyone will cooperate with the pastor and work for the success of the meeting I am sure we will have a good meeting.

Our tennis teams went to Rockdale last Friday and played match games. The girls won over the Rockdale team.

We are very sorry to report that Mrs. A. Harlan is ill.

Miss Raley was a Cameron visitor Saturday.

Mr. and Mrs. W. C. Cooper and children spent Sunday with Mr. and Mrs. C. E. Porter.

This is a beginning of a new quarter in the B. Y. P. U. and new officers have been elected. I am sure if they will work together and help the president, Miss Elizabeth Peel we will have a good B. Y. P. U.

We expected Cameron to come down Sunday evening and give us a program but we were disappointed as they didn't show up. We hope they will come soon.

Some of our people went to the zone meeting of the B. Y. P. U. that was held at Yarrleton Sunday afternoon and reported a splendid program.

Irvin and Herman Harlan were here with home folks this week end.

Miss Dorothy Foster visited her cousin Miss Hazel Freeman Saturday at Maysfield, who is home from school at Fort Worth.

Mr. Valter White of Maysfield was

down Saturday afternoon.

Miss Raley entertained the officers of the B. Y. P. U. last Monday night. There was a business meeting and then a social hour was engaged in and cream and cake was served.

There will be a party given at the school house by members of group two of the B. Y. P. U. to members of group one next Friday night.

Mr. Homer Peel who has been in training for six weeks in Florida was home and visited his parents for a few days. His wife joined him here and they went to Houston to make that their home. Mr. Peel will be with the Houston team this season.

The Baptists gave their organ to the Mexicans on last Saturday and a great crowd gathered Sunday.

The farmers have planted lots of cotton and are needing a rain badly.

Miss Kathryn Harlan has accepted a position in Dallas and will leave Tuesday. We will miss her from our little group but still we are glad that

Ouch! Rub Backache, Stiffness, Lumbago

Rub Pain from back with small trial bottle of old "St. Jacobs Oil."

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on your back and out comes the pain. It is harmless and doesn't burn the skin.

Linger up! Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years.

Louisiana Woman Tells Why She Relies On Cardui For Her Troubles.

"When just a girl," writes Mrs. G. W. Britt, of Haughton, La., "I suffered quite a bit at times . . . I would be so tired all the time that I didn't really enjoy any thing.

"I took three bottles of Cardui and very soon, I saw quite a difference.

"Later on in life, after I got married, I was very weak and nervous, before my baby came. I remembered what Cardui had done for me when a girl and sent for it again.

"I only had taken two bottles when I felt so much stronger and better.

"I am a great believer in Cardui because I know it did me good."

Cardui should do you good, too. Try it.

KINDERGARTEN WILL GIVE OPERETTA APRIL 13**"BIRDIE'S BALL" HAS CAST OF MANY OF CAMERON'S BRIGHT CHILDREN**

On Friday evening, April 13 at 8 o'clock the children of the Ada Henderson Kindergarten will present an operetta at the Yoe High School. There will be a chorus of girls from the lower grades supporting the kindergarten children.

The operetta is entitled "The Birdie's Ball" and promises to be one of the most elaborate entertainments ever presented here by the school children. The costumes have been designed and fashioned by the directors of the operetta, and the result is a brilliant display of gorgeous coloring and surprising cleverness.

Cast of Characters

Bridge Club

On last Friday Mrs. C. W. Bradbury opened her home to the members of the young matrons bridge club for a pleasant afternoon. Several baskets of roses made beautiful the rooms of the home. Two tables were arranged for the games and four spirited games were enjoyed. Miss Velda Walker won high, a boudoir pillow and Mrs. A. E. Green won low, a shoe bag. The hostess served a frozen collation at the close of the afternoon. Guests were Misses Velda Walker and Agnes Henderson.

St. Rita's Circle

The ladies of the Catholic church met last Thursday for a business session. There were a large number of ladies present and much interest was manifested toward the work for the fall bazaar. They are now working on a quilt for the bazaar. The next meeting will be with Mrs. B. J. Mattocha.

Windmills of Holland Comedy Drama at Yoe Hi Friday Night

Is your girl a Wooden Shoe Girl? If she were "Wouldn't Chu" go to see "Windmills of Holland?" If you don't know "Wouldn't Chu" find out?

Windmills of Holland is a musical comedy, drama full of music presented at the Yoe High School Auditorium Friday evening at eight o'clock. Choral and Glee Club will assist.

Best combination of music, laughs, and acting given in Cameron and will be worth your time and money. Don't miss it. Just the one song hit "Vot Is Idt" by Mynhur Hertogenbosh will send you into gales of laughter and enthrall you with its musical qualities. The wooden shoe girls keep you enchanted with the beautiful Dutch songs and famous dances. All the songs are big hits and the singers do them justice.

Scenery and costumes typically those of Holland and the players will fool you into thinking they're natives of that watery country. Wooden Shoe Dance and special acts featured between scenes in the whole play.

Thanks City Council

Cameron, Texas,

March 29, 1928.

To the Mayor and City Council
City of Cameron:

I take this means through the Cameron Herald to express my heartfelt thanks and gratitude for the interest that has been shown in buying the for the cemetery for the Mexican people. You have helped the helpless.

"He that hath pity upon the poor lendeth to the Lord, and that which he hath given."

He that hath pity upon the poor lendeth unto the Lord; and that which he hath given will he pay him again. He that giveth unto the poor shall not lack and give to the poor and thou shalt have treasure in heaven. Only they would that we should remember the poor; the same which I also was forward to do and I will give thee the treasures of darkness and hidness riches of secret places, that thou mayest know that I, the Lord, which call thee by thy name, am the God of Israel. But thou shalt remember the Lord thy God; for it is he that giveth thee power to get wealth, that he may establish his covenant which he swore unto thy fathers, honor come of thee, and thou reignest as it is this day. Both riches and over all; and in thine hand is power and might, and in thine hand it is to make great, and to give strength unto all. Every man also to whom God hath given him power to eat thereof, and to take his portion, and to rejoice in his labor; this is the gift of God.

Again, I have no words to express my gratitude and heartfelt thanks to one and all who took part and let your influence be felt in securing this place that was a necessity and is needed.

A humble servant of all, and thanks to you for the co-operation in this honorable cause.

SAYS RED PEPPER HEAT STOPS PAIN IN FEW MINUTES

Rheumatism, lumbago, neuritis, backache, stiff neck, sore muscles, strains, sprains, aching joints. When you are suffering so you can hardly get around, just try Red Pepper Rub.

Nothing has such concentrated, penetrating heat as red peppers, and when heat penetrates right down into pain and congestion relief comes at once.

Just as soon as you apply Red Pepper Rub you feel the tingling heat. In three minutes the sore spot is warmed through and through and the torture is gone.

Rowles Red Pepper Rub, made from red peppers, costs little at any drug store. Get a jar at once. Be sure to get the genuine, with the name Rowles on every package.

IF SKIN BREAKS OUT AND ITCHES APPLY SULPHUR

Just the moment you apply Mentho-Sulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation, made into a pleasant cold cream, gives such a quick relief, even to fiery eczema, that nothing has ever been found to take its place.

Because of its germ-destroying properties, it quickly subdues the itching, cools the irritation and heals the eczema right up, leaving a clear, smooth skin in place of ugly eruptions, rash, pimples or roughness.

You do not have to wait for improvement. It quickly shows. You can get a little jar of Rowles Mentho-Sulphur at any drug store.

ACUTE ATTACKS

Of Indigestion Helped By
Black-Draught.

Black-Draught was recommended to Mrs. Reathia Edmondson, of Williamson, N. Car., by her father-in-law. She says:

"Shortly after I became a bride, I had a spell of indigestion, and my father-in-law told me to take a dose of Black-Draught. I had never heard of it before, but I tried it, and got such quick relief. I have turned to it ever since."

"About three years ago, I began having acute attacks of indigestion real frequently. I would feel severe pains through the lower part of my body, and they were accompanied by bad gas pains. I took a systematic course of Black-Draught and soon began to feel better. The acute attacks disappeared."

Try Theford's Black-Draught for indigestion. You can get it everywhere.

Irrigation Prosperity

The Hereford Brand forges great prosperity for that section in the almost unlimited possibilities of irrigation from shallow wells. A 40 acre tract, which is enough acreage for one farmer, can be put under irrigation at a cost of about \$1,000 and supplied with 500 gallons of water a minute if needed. New citizens are being attracted to the region because of the opportunities for truck farming under irrigation. One of the leading exponents of truck farming there says, "The sooner Hereford wakes up fully to the wonderful opportunities, the sooner Hereford will fairly jump into the city class, and thousands of happy, prosperous people will be living in our midst."

Small Town Co-operation

Dr. Clay Lauderdale, a Buda physician having decided that the people around the village could not make enough growing cotton to pay their doctors' bills, got up in a meeting and began shouting for a cheese factory. The suggestion took and a subscription for stock in the enterprise was started. Kyle, a neighboring town, decided to help the enterprise along, its bankers and business men taking stock in it. It was a neighborly thing for Kyle to do, but Kyle figured that good roads bring the two towns very close together and that Kyle farmers and dairymen would profit from a cheese factory at Buda about as much as those closer to Buda. And so, thanks to the friendly co-operation, the Buda cheese factory will be built.

Returns From Dairying

Having worked up an interest in Lockhart for the building of a modern creamery, Editor Schofield, of the Post-Register, is now confronted with some doubting Thomases that think the lands around Lockhart are too valuable to be used for dairying. Shades of Shylock! What do they expect to do with their land? Up in the Canadian border states where land is held at from \$500 to \$1000 an acre, and cows have to be kept housed in close barns about half the year to keep them from freezing, dairy farmers are getting rich and buying more land when they can find anybody who will sell it.

Unless Caldwell county lands are worth more than that, and winter conditions are harder on the cattle than 'up North' dairying will pay around Lockhart. If the lands are too valuable for that they are certainly worth too much to be used for cotton. Only oil gushers and gold mines will beat it, and these "play out" after awhile, leaving the dairyman still in clover.

Fortune in Printing

This paragraph may be taken for what it is worth, or even for less. C. L. Tanner, whom the Rockdale Reporter calls the "brainstormer of the Alice News," once edited the Reporter. He afterward ran the Granger News awhile. Then, he says, he "went broke" in the cattle business in 1920 but has "come back" in the printing business at Alice and is doing well. When a man goes broke and afterwards comes back, the statement is taken to mean that he regains his lost fortune. He is getting out a mighty fine paper at Alice which gives evidence of unusual and even unique prosperity.

Canning Plants

When northern people visit Texas they wonder at the large quantity of truck and fruit that goes to waste and at almost total lack of canning plants. Editor Barber, of the Del Rio News, is after his town to build a plant and to show them that such an industry can be made to pay, points to the successful cannery at Fredericksburg, which is one of the most valued assets of that thrifty city. Del Rio has an abundance of fruits, vegetables, berries and ranch products

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied In Nostrils
Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, sniffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed up with a cold or nasty catarrh.

right at its door to keep a cannery busy, much of it now a complete waste.

Snyder Gets Gas

The Snyder Times-Signal is rejoicing, and rightly so, that gas mains are now being placed in the streets. Natural gas adds to the comfort and convenience of the people as few other things do, and it is an asset for prosperity when rightly used. Here are a few reasons The Times-Signal gives for rejoicing: "With an unlimited water supply, one of the largest, in fact, in the State, with another well coming in within the week, with a low electric rate, and with gas coming, Snyder is right in line to be not only a truly important agricultural point, but the best industrial city in West Texas."

Compliments Towns and Press

The Devine News, in thanking its patrons for numerous compliments paid that paper, expresses its regret that it can not be as fine a paper as those published at San Marcos, Keer-

ville and Uvalde, which are model papers published in splendid towns—no better perhaps than Devine, but merely larger and better able to support such papers. The News promises that as the town grows and the business of the News spreads it will be better still, hoping in time to reach the class of the papers mentioned. The Devine News in this acknowledgment and three-fold compliment shows a fine fraternal spirit.

Jubilant Pearsall

Pearsall is in the heart of the "Winter Garden" district of Texas and wants the world to know something of its remarkable output of field, orchard and garden. Recently President G. R. Sanders of the Pearsall Chamber of Commerce, broadcasted a talk from San Antonio, in which he told in terse terms what is being done around Pearsall and growing eloquent, he exclaimed:

"And whether it be the green-gold spinach or the fleecy white cotton, the juicy orange or the gallant grain, whether it be the delicious plum or the

full-meated paper-shell pecan, the chirping chicken or the fine livestock—YOU can produce it here at Pearsall, the Home of Diversification." "Nuff said." Could you have done better?

Gonzales Creamery

The Gonzales Inquirer, ever watchful of its country's interests, says that those who did not at first realize the great value of its new creamery industry as a contributor to the prosperity of both the country and the town are now finding it is paying out more than \$10,000 a month in cream and milk checks that come right back into business channels, with the business still in its infancy. Three hundred dairy cows of superior strain have been placed in the country by the creamery owners to further increase the interest in and profits from dairying. I have yet to hear of a creamery in Texas that is not making money for its owners and those who supply the milk and cream.

I ask for and will appreciate your—

KING NICOTINE

The vogue of tobacco and its centuries-old persistence are not easily explained and for that reason, perhaps, the "weed" is the more irritating to those who take life with deep seriousness and would ban everything that is pleasant and not useful. There is Biblical authority for taking a little wine "for the stomach's sake" and, prohibition notwithstanding, there are some worldly souls who still contend a hot toddy is essential in the treatment of colds and pneumonia, but no one has ever claimed any therapeutic powers for tobacco unless it be those centenarian who ascribe their longevity to the use of tobacco in corn-cob or cud form.

In view of the fact that so many millions obtain so much pleasure from tobacco and that its use is at least not beneficial to the health, is expensive and often filthy, it is not surprising that the war on Demon Nicotine has been waging ever since white men acquired the tobacco habit. Sir Walter Raleigh was censured introducing the weed into Europe, the Puritans of the Massachusetts Bay colony prohibited its use and anti-cigarette laws have been passed and repealed in many states.

It would seem that the net results of these centuries of pro-

test prohibition and repression has been an enormous increase in the use of tobacco, especially in the form of cigarettes. One American manufacturer makes 100,000,000 cigarettes a day and there are hundreds of factories in the business of preparing tobacco for smokers.

Perhaps the candid addict explained the situation when he expressed this sentiment: Tobacco is a dirty weed.

I like it.
It satisfies no normal need.

I like it.
It makes you thin, it makes you lean,
It takes the hair right off your head,
It's the worst darn stuff I've ever seen.

I like it.

DOLEFUL PREDICTIONS

When the automobile came it was predicted it would make the horse extinct. Horseflesh costs more than ever and equestrianism continues to grow in favor. Now the oracles say the aeroplane will eliminate both automobile and horse, but like the horse the automobile grows in number and favor. The saturation point in the automobile industry is always being predicted but never reached. It will be found that horse, automobile and airship each have their purpose and will increase in number as new needs are found for them and the population grows.

From an article in a current magazine are taken a few quotations on the subject of the automobile.

"The automobile stands unique as the most extravagant piece of machinery ever devised for the pleasure of man."

"The people are becoming car-poor as their ancestors became land-poor."

"In this craze for automobile ownership the joy of security in the future is sacrificed for the pleasure of the moment."

"The whole scheme of domestic life centers in the motor car."

"Once the man who borrowed in order to buy a car was looked upon as dangerous."

With some of these statements some will agree, but it is invariably the careless who predict disaster and chaos because so many of their neighbors are on wheels and exchange old cars for new every year.

It is manifest from the popularity of the auto, from the universality of its use and from the jealous tenacity all car-owners cling to their cars, whether palaces on wheels or decrepit derelicts, that there are satisfactions derived from the automobile which the critics of the automobile-age have not discerned.

EASTER

Easter proves the mighty reality of idealism.
Easter is God's promise and

humanity's hope of a regenerated human race.

Easter is the rainbow reaching from heaven to earth with its heavenly promise of better things.

Right and peace will yet kiss each other. Good will to man will yet take the place of ill will. The healing of love will heal the scars of hate. The night of every grave has its morning; even the grave of world-wide peace. Out of the dark and bloody soil of strife will surely blossom the lilies of brotherhood, peace and progress.

Easter knows both sides of life, the tragic and the triumphant. But it believes that the triumphant will triumph. In the bright lexicon of this day there is no such word as failure. "Be of good cheer, I have overcome the world."

Easter confirms the undying faith of human hearts. How do we know that better days are ahead? We don't know. Yet who would predict today that the dead rose bushes will ever come to life again? Or that frail song birds will ever return with their sun-kissed songs? Yet these things will be.

Easter says, "Look up, God reigns, and the universe is secure."

The fool who has been parted from his money always feels cheap.

Complaints help to prove that there are many persons who are poor sports in various ways.

Second Anniversary Westmoorland College

One of the most brilliant social affairs of the year was the musicale and reception given Thursday evening March 29, at Westmoorland College honoring Mr. and Mrs. R. M. McFarlin donors of Mary Catherine Hall. The occasion was the second anniversary of the opening of the building. The spacious rooms were tastefully decorated with huge baskets of pink carnations and ferns. Other decorations were a great bunch of calla lilies and pink snapdragons before the shrine placed there by Mrs. McFarlin in memory of her mother, Mrs. Mary Catherine Barnard. Two baskets of roses were placed in the Mother's room as a tribute to Mrs. McFarlin, one was given by her daughter, Mrs. J. A. Chapman and the other was the gift of the Westmoorland girls.

Mrs. McFarlin cut the large birthday cake which was decorated in jonquils and lighted by two tapers. Other assisting in the dining room were Misses Downs, John and Bessie Joiner all younger members of the faculty.

About two hundred guests were in attendance. Among those from out of town were Mesdames J. A. Chapman and A. G. Blanner, daughters of Mrs. McFarlin and her sisters, Mesdames J. D. Bosley and F. P. Watler, all of Tulsa, Oklahoma.

Mrs. R. W. Holland of Keenville and Mrs. W. K. Kokernot of Alpine, both of whom have daughters attending Westmoorland College.

Methodist Church

At seven-thirty Sunday evening the Methodist choir will render the following selections of Easter music: Organ Prelude, selected, Mrs. J. L. Clinton.

Processional—Christ Arose, Choir. Anthem—Death is Swallowed Up in Victory, Mrs. Hoover and choir. Offertory—selected, Mrs. Clinton. Chorus—Tell the Glad Story, women's voices.

Male quartette—The Beautiful Garden of Prayer, Messrs. Freeman, Fisher, Bonds and Stafford.

Solo—selected, Mrs. A. J. Triggs. Anthem—Sing Unto the Lord, Mrs. Levy and choir.

Postlude—selected, Mrs. Clinton. The pastor will deliver a brief Easter sermon. An opportunity will be given those who desire to join the church.

At the eleven o'clock service the pastor will dedicate to the Lord by baptism a number of babies. A number of children, young people and adults will be received into the church persons who have not yet identified by baptism, vows and letters. All themselves with the church in Cameron should be present and have their membership announced at this service.

The Epworth Leagues will meet at 6:30 in the evening and the Sunday school will meet at 9:45. We want a big attendance this Sunday.

County P. T. A. Council

In the District Court room Saturday March 31 at two o'clock the County Council of Parent-Teacher Associations held the first meeting, Mrs. Tom

Evard of Minerva the president, presiding.

The following committees were named: Education, the presidents of the Cameron and Buckholts P. T. A.; Extension, the presidents of Gause and Ben Arnold; Health, presidents of Burlington and Thorndale; Recreation, presidents of Friendship and Gay Hill. Publicity, presidents of Minerva and Conoly. The meeting day will be the fourth Saturday of the following months: June, September, December and March. The next meeting of the council will be in Cameron on the 4th Saturday of June in the City Park and a picnic lunch will be served. All associations over the county are urged to attend. The Summer Round Up was discussed at length and much thought was given the immediate need of a County Health Nurse. The council is heartily in favor of securing the aid of a nurse for the last months of school but by all means have a regular employed one by September.

As You Like It

Mrs. John Denson was hostess to the As You Like It Club Wednesday afternoon at her home. The rooms were decorated with bowls of roses and spring flowers. The afternoon was spent in merry conversation and all brought their sewing and a pleasant afternoon soon past.

The hostess served a dainty salad plate with tea. Guests were Mrs. Bertha Brewer, Mrs. Paul Silber of San Antonio and Mrs. A. Dossett, a guest of her aunt, Mrs. W. H. Henley.

Presbyterian Auxiliary

The ladies of the Presbyterian Auxiliary met in the parlors of the new church. Mrs. John Green the new president presided during a short business session. After the business was dispensed with Mrs. Judd Davis led a lesson on foreign missions. She was assisted on the program by Mesdames Ben Atkinson, James L. Coleman and C. W. Lawrence.

Card of Thanks

We desire to express our sincere thanks to those who came to us in our hour of recent bereavement in the illness and death of our beloved mother. Especially do we thank those who gave flowers, the American Legion, and all who assisted us in any way. Your words of sympathy and acts of kindness will never be forgotten.

T. G. Kirk and family.

Card of Thanks

We take this method of extending our sincere thanks to all who came to us to assist us during the illness and death of our father, Quinn Walker. The many acts of kindness and words of sympathy during this sad hour for us, helps us to bear up under the burden of sorrow and we sincerely appreciate every consideration.

RIPPING RIP

Rip Van Winkle is as mad as a hare; He's scratching whiskers everywhere. His record's ruined by a little horned toad— For him it seems 'tis the suicide road. Now how can he brook such awful disgrace, When all this while he had nothing to face That would call the time on that sleep of his, And make him ashamed of his aged phiz? Catskills He wants to go back to the lone And listen again to the mountain rills; Try taking a swig from another cask, With a longer sleep than a frog would ask.

Luce place, Thence N. 71 E. with S. line of said Hughes survey at 550 vrs. across Cedar Creek at 923 1-2 vrs. to place of beginning containing 92 acres.

And I will on the first Tuesday in the month of May A. D., 1928, the same being the 1st day of said month, proceed to sell said property at the Court House door of said county, in the city of Cameron between the hours of 2 o'clock p. m. and 4 o'clock p. m., to the highest bidder for cash all the right, title and interest of the above defendant, in and to the above described property; subject, however, to the rights of the defendant, to redeem same in the time and manner provided for by law, and subject to the further rights of the defendant to have said property divided and sold in less divisions than the whole. And in event there are no bidders, said property will at said sale be bid off to the State.

L. L. Blaylock, Sheriff, Milam County, Texas.
Guy Pope, Deputy
Cameron, Texas, April 4, A. D. 1928

State of Texas

THE STATE OF TEXAS, To the Sheriff or any Constable of Milam County—Greeting: You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of this notice in the County of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of twenty days exclusive of the first day of publication before the return day hereof: NOTICE

The State of Texas, To all persons interested in the Estate of Marie Ondrej, deceased. Notice is hereby given that J. E. Krizan has filed in the County Court of Milam County, his final account of the condition of the estate of said Marie Ondrej, deceased which will be heard by the County Court of Milam County, Texas, at the next regular term thereof, to be begun and holden at the court house in Cameron, on the 4th day of June, 1928.

Now therefore, this is to require all persons interested in the estate of Marie Ondrej, deceased to appear and contest the same, if they see proper. Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of office, in the city of Cameron, Texas the 2nd day of April A. D., 1928.

FROM THE FILES OF THE CAMERON HERALD TWENTY-FIVE YEARS AGO

Dr. Thomas A. Pope was in Austin
last Friday on business.

Mrs. Paul C. Tarver and children
visited relatives and friends in Bur-
lington last week.

Governor Lanham vetoed the bill
removing occupation tax from mer-
chants and convened the legislature
in extra session to pass the appropria-
tion bill.

The present legislature has under-
taken to put a stop to horse racing in
Texas. A former legislature under-
took to prevent crap shooting "but it
don't prohibit."

The people of Milam County are as
intelligent and progressive as can be
found anywhere in the South.

Mr. Howard Baskin spent last Sun-
day in Cameron with relatives. He is
now a commercial traveler with head-
quarters in Dallas. He is a very de-
serving young man and The Herald
wishes him great success.

Last Friday coffee reached its low-
est point in New York. Favorite
speculative grades were quoted at 4.05
cent per pound.

When President Roosevelt was in
conference the other day with attorney
general Knox, post master general
Payne, secretary Moody and governor
Crane, Mr. Knox asked if the opera-
tion of last Sunday, when the bone
of his leg was scraped, was painful?
"Well," said the president, in that im-
phatic manner which is so character-
istic of him, "it was not one period of
unalloyed pleasure. When they got
down deep, I felt as if I'd like to have
another talk with the Pittsfield motor-
man."

Mr. Dwight Langford of Atoka In-
dian territory is in our city on a visit
to his brother, Justice C. A. Langford.
Mr. Langford was a citizen of Cam-
eron 20 years ago and notes many im-

portant substantial improvements
since he left.

Rev. J. C. Moore was the guest of
Mr. W. B. Carter last week.

Misses Mattie and May Ford of
Ben Arnold were in Cameron Tuesday
en route to Baylor College, Belton,
from a visit home.

Last Tuesday a resolution request-
ing the Governor to submit the world's
fair appropriation to the legislature
at its called session, was laid to rest
in the house by the decisive vote of
58 to 44. The Herald knew a month
ago that the legislature was not in
favor of that appropriation.

County Tax Assessor Stedman has
been quite sick for some days. He was
able to be out Tuesday for the first
time since he was taken sick.

Dr. Willie Lutner of Abilene is in
our city on a visit to his parents.
He will likely select a new location.

Several from Cameron went to Cle-
burne last Sunday to witness a foot
race between Graham Goldwaite and
A. B. Burrell. The later won by five
feet.

Rev. John Carney, a Baptist preacher
of Weatherford, arrived in Cam-
eron Tuesday and lectured to a crowd
on the streets. At night he spoke in
the Baptist church. He is advocating
prohibition.

The Japan Times relates the fol-
lowing incident: "Last Thursday a
splendid funeral procession was pro-
ceeding from Hongo to Shitaya in
order to bury the remains of Taroji
Fukazawa, the head of the gambling
den of Hongo and Asakusa, when the
police station stopped the procession
and ordered that the funeral should
not take place in such a splendid man-
ner, as the deceased was a convict.
The bereaved family was therefore
compelled to carry out the burial ser-
vices in a stealthy way."

Another Cash Grocery

A. J. Walzel, who is now engaged in
the grocery business in Santa Fe
town, is having shelves placed in the
Denson building formerly occupied by
the Texas State Bank and Trust Com-
pany, and will open a cash and carry
grocery store.

This gives Cameron five cash and
carry stores and this method of mer-
chandising is proving popular with
the people.

Julius Sustek last week opened a
cash and carry in the J. P. Werner
building in Santa Fe town.

alties, costs and interests computed
thereon, together with the foreclosure
of plaintiff's delinquent tax liens upon
the property hereinafter described as
the property of the defendants, be-
cause of non-payment of the taxes due
thereon;

And whereas, on the 31st day of
March, A. D., 1928, by virtue of the
said judgment and the mandates
thereof, the Clerk of the District Court
of said county did cause to be issued
an Order of Sale, commanding me as
Sheriff of said County to seize, levy
upon and sell in the manner and form
as required by law the hereinafter de-
scribed property as the property of
the above defendant, to satisfy the
judgment.

Wherefore, by virtue of the said

Order of Sale and the mandates there-
of, I did on the 2nd day of April A. .
1928, seize and levy upon as the prop-
erty of the above defendant, the fol-
lowing property, to-wit:

"All that certain tract or parcel of
land to-wit: situated in Milam County,
Texas, on the waters of Brushy Creek
and a part of the John Bright One
Third league and bounded as follows:

Thence S. 76 N. 922 1-2 vrs. to be-
ginning, containing one hundred and
fifty-five acres of land more or less."

And I will on the first Tuesday in
the month of May A. D., 1928, the
same being the 1st day of said month,
proceed to sell said property at the
Court House door of said county, in
the city of Cameron between the
hours of 2 o'clock p. m. and 4 o'clock
p. m., to the highest bidder for cash
all the right, title and interest of the
above defendant, in and to the above
described property; subject, however,
to the rights of the defendant, to re-
deem same in the time and manner
provided for by law, and subject to the
further rights of the defendant to
have said property divided and sold in
less divisions than the whole. And in
event there are no bidders, said prop-
erty will at said sale be bid off to the
State.

JOHN MCFARLANE WILL ADDRESS FARMERS

MAN WHO HAS SET PACE FOR TEXAS PLANTERS TO BE AT ANNUAL GATHERING

John McFarlane of Palestine, twice cotton king of Texas, will attend the farmers' barbecue at the Cotton Palace next Friday as guest of C. S. Lankart of Waco, with whose Waco cotton he captured the state-wide cotton contest for the past season.

In 1924 McFarlane grew 5081 pounds of lint cotton on five acres to win the contest, and last year made it 6922.

But McFarlane's cotton, the best in Texas, yielded him less than one-third as much as his cows did, and he has cut his cotton acreage from 100 acres to 20 acres in three years.

What This Farmer Did

On 134 acres of land McFarlane and his family last year raised \$18,328 worth of non-cotton products.

With 14 bales off the five-acre contest patch and 12 bales off the remaining 15 acres, their cotton crop totaled 26 bales from the 20 acres and sold for \$3618.86, which, added to the non-cotton products, made their total income from 154 acres \$21,946.88.

Four acres of the McFarlane cotton land were planted to Delfos. This land was similar to that on which Waco was planted and yielded five bales to the four acres, as compared with 14 bales on five acres yielded by Waco. The remaining 11 acres of cotton land was planted in Lankart. This was sandy upland and yielded seven bales or about 350 pounds of line cotton per acre.

Over Bale to the Acre

The average yield of cotton on McFarlane's 20 acres was one and one-third bales per acre. The average for Texas the past year was one-quarter of a bale per acre.

Dairying and truck crops both yielded McFarlane more money than his cotton. Cows gave him more than one-half of his total income. He produced 18,520 gallons of milk, 730 gallons of cream and 5476 pounds of butter. After using 720 gallons of milk at home 91 gallons of cream and 265 pounds of butter, he sold the remaining milk for a total of \$6135.50, cream for \$2555 and butter for \$2554, giving him a total income income from dairy products of \$11,244.

Out of the 730 dozen eggs raised on his place, McFarlane sold half for \$109.50. He grew 300 chickens and sold 130 of them for \$90.

Twenty acres were planted to oats, but no crop cut, the whole acreage being pastured.

What He Did With Corn

Fifty acres went to corn, from which 1250 bushels were gathered. None of this was sold, all being consumed by the McFarlane milk cows. The same was true of twenty tons of sorghum cut off a six acre patch.

Two acres of strawberries yielded 500 crates, 10 of which were served on the McFarlane table and 490 marketed with a return of \$1000. Out of 200 crates of blackberries gathered from one acre, 196 crates were sold for \$249.50. One hundred crates of dewberries were gathered from one acre and 98 crates sold for \$126.

Twenty-five acres in truck crops, in addition to those listed here separately, gave all that was needed to supply the table and \$20 a day on the amount sold, which totaled during the year \$4017.77. Irish potatoes from three acres yielded 280 bushels and sold for \$591, while sweet potatoes from six acres totaled 1000 bushels and sold for \$591—after 20 bushels of Irish and 100 bushels of sweet potatoes had been used at home.—Waco News-Tribune.

T. E. L. Class

Mrs. S. M. Burns, Sr., with the members of her group were delightful hostesses to the T. E. L. Class in the annex of the Baptist church last Friday afternoon. The business session was presided over by the president, Mrs. Bertha Brewer, who also led the devotional. The secretary's report shows a steady gain in personal service and benevolence although we have been handicapped the past two months by inclement weather and sickness. However, with coming of warmer weather we are looking forward to greater things. An old fashioned quilting bee was enjoyed by those present which numbered twenty-five including visitors. The quilt will be used for the needy.

During the social hour refreshments of sandwiches, cake, tea and grape juice were served. White rosebuds were plate favors.

Cheaper Chicks

BETTER CUSTOM HATCHING

WHY HAVE YOUR EGGS CUSTOM HATCHED?

HERE'S WHY—

1. You can have your market eggs hatched, raise the chicks until fall, and make ten to twelve times the profit that you would make by selling the eggs. Don't sell eggs on a low market when you can turn them into chicks worth 10 to 15c each.

2. It's cheaper to eat chicken and eggs that you raise yourself than to buy meat at the butchers. Raise at least a hundred for home use.

3. Every hen that you keep will pay you from one to two dollars cash profit each year. Every hundred good pure bred hens you keep means \$100 to \$200 cash in your pocket each year.

4. You can hatch all your chicks at one time by custom hatching them. We will hatch your eggs "right" so that the chicks will live and grow into strong profitable layers.

BIRTHDAY AND WEDDING ANNIVERSARY CELEBRATED BY MR. AND MRS. A. M. VANDIVERE NEAR JONES PRAIRIE

On Saturday, March 31st, Mr. and Mrs. A. M. Vandivere of Jones Prairie were surprised by many of their friends and relatives who came to celebrate Mr. Vandivere's eighty-first birthday and their sixtieth wedding anniversary. Relatives came early in the day and brought lunch and spent the day. During the afternoon Mr. and Mrs. Vandivere told their friends of their courtship, marriage and many experiences together in earlier days. Many old songs were sung during the afternoon. Both Saturday and Sunday afternoons many friends called to congratulate them and bring gifts. Again and again Mr. and Mrs. Vandivere expressed their appreciation of the kindness shown by friends on this occasion. They realize the value of

friends and say that life, without friends would be empty.

In 1868 Mr. Vandivere was united in marriage to Miss Annie McKinney, a daughter of Jasper and Martha McKinney, two of Milam County's old citizens. To this union one child was born, Beulah, now the wife of I. R. Gleen. They now have five grand children and five great grandchildren.

Mr. and Mrs. Vandivere have been members of the Little River Baptist church for fifty-seven years.

In 1860 Mr. Vandivere moved with his father from the Indian Territory to Waco, where he attended school for two years. He joined the Confederate army at the age of sixteen. In 1865 he entered Baylor at Independence, where he attended for two years. From there he moved to Milam County with his father.

His wife was in school at the Female College at Fairfield in 1863.

In 1867 their romance began and culminated in their marriage the 31st of March 1868. They took up farming and have been very successful.

Mr. and Mrs. Vandivere have seen wonderful changes since then. They have watched this country which was then practically a wilderness, develop into a thickly populated region.

Their lives have not been all sunshine; there have been cloudy days, and they have walked together in adversity as well as prosperity. As they come to the evening of life they may say with the poet Burns:

"We climbed the hill together,
And many a canty day
We had with one another.
Now we may totter down
But hand in hand we'll go
And sleep together at the foot."

Senior League Picnic

The members of the senior league enjoyed a most delightful picnic Friday night on the river. Games and stunts were the diversion and a lunch consisting of everything good to eat was served. Mr. and Mrs. R. B. Rylander, Mr. and Mrs. Dryer and Rev. Ramsey accompanied the young people.

Delphian Chapter

The members of the newly organized Delphian Chapter met last Thursday in the library of Ada Henderson school. Mrs. Batte, the president, presided during the business session. After the reading of the minutes the following new officers were named: Critic, Mrs. A. C. Freeman; Time-keeper, Mrs. Leland Green; and Parliamentarian, Mrs. Criswell of Buckhoits. Mrs. Joe Denson was program leader. The topic was "Land of the Pyramids." The general theme was "Beginning of our Present Social Order." The following ladies assisted with the program:

Physical Features of Egypt, Miss Rose Rischar.
Nilometer, Mrs. W. R. Newton.
Egypt and the Modern Land, Mrs. Arthur Baskin.
Sources of Egyptian History, Mrs. Ben Atkinson.
Pre-historic Egypt, Mrs. F. Lesovsky.

Egypt to the Pyramid Age, Mrs. Walter Sharpe.

Pyramid Builders, Mrs. T. A. Fisher.
Mrs. Paul G. Silber of San Antonio was a visitor and is a member of a chapter at her home. She told of the splendid work they were doing and the interest the women manifested toward Delphian work.

Mrs. Burke Entertains

Mrs. Earl Burke was a delightful hostess Monday night to members of the Monday Evening Bridge Club and their husbands. The rooms of her apartment in the Gaston house were decorated in Texas blue bonnets. The color scheme of blue and white was used in table accessories and favors. The husbands were royally honored as all prizes were awarded among the men. Chas. Nabours won high. W. D. Bigbee low. Table favors were baskets of Easter eggs with a cunning little rabbit perched on top and this fell in the cuts to Chas. Nabours, Terry Wiley and W. D. Bigbee. The hostess served a salad course with grape ice and angel food squares at the close of the evening. Plate favors were Easter eggs in novelty designs.

Gause News

Rev. G. C. House filled his regular appointments at the Methodist church Sunday morning and night.

Relatives from Bryan visited Mr. and Mrs. Allen Varner Sunday.

Miss Crenshaw spent the week end in Rockdale with friends.

Miss Roberta Holden, Miss Florene Hilliard and Mrs. J. H. Thomas attended the County Council meeting of the P. T. A. at the court house in Cameron Saturday March 31. An interesting meeting was held, Mrs. Tom Eward presiding.

Mrs. S. R. Cochran spent Monday in Cameron.

Miss Jim Lou Cunningham of Hearne visited her parents, Saturday and Sunday.

Mrs. W. G. Fowler and son, Dan Gilbert of Richmond were guests in the home of Mr. and Mrs. Terry Moore Friday.

Miss Muriel Hickman was in Cameron one day last week.

Mrs. M. L. Russell was in Cameron Monday shopping.

Tuesday Bridge Club

The Tuesday Bridge Club was delightfully entertained by Miss Katherine Flinn at her home on East Thirteenth. The rooms were made unusually attractive by the use of many vases of spring roses and violets. Easter motifs were shown in table covers, tallies and score pads. Table cuts were Easter bunnies and were cut for by Mrs. Ralston, Miss Agnes Henderson and Miss Velda Walker. Guests for the afternoon, other than club members were Mrs. J. C. Martin and Miss Velda Walker. Miss Katherine assisted by her sister, Miss Helen served an ice and salad course.

Builders Class

Rev. and Mrs. Wallace Jones were host and hostess to members of the Builders Class at their home last Monday night. Mrs. Raymond Beard led the devotional and her little daughter, Verna Bess sang "Rock of Ages." Mr. Dow Eplin conducted the business session in the absence of the president. Roses were used for decoration. All games and amusements were April Fool Stunts. The hostess served sandwiches and fruit salad. Guests were Mr. and Mrs. W. H. Stafford and Mrs. T. D. Scott.

Missionary Society

The ladies of the Methodist church met for business at 3:30 o'clock with the president, Mrs. Davis in the chair. Mrs. P. T. Ramsey led the devotional reading from the Book of Work. Beginning next Monday the ladies will meet three Mondays in circles in the homes and meet only on first Monday at the church. Next Monday the circles will have Mission study. Next week the Woman's Annual Conference meets at Marshall and Mesdames Davis and McCall will go as delegates. Mrs. W. O. Triggs, as district secretary, will go also.

Baptist W. M. S.

The women of the church met at four o'clock for a business session led by Mrs. Henley, the president, who also led the devotional. Reports from standing committees were read. Two new members were added to the Auxiliary during the month of March. The month of April is "Loyalty Month" and all members of the W. M. S. are urged to be loyal to all departments of the church work. It was voted to send crates of eggs to Buckner Orphan's Home on April 16th. Next Monday the ladies will meet in circles.

"Electricity!--

The Power of the Republic."

Says WILLIAM ALLEN WHITE
Author and Editor Emporia Gazette

"The democracy that really has come as a result of industrial and economic forces by giving men and women better wages, shorter hours and more self-respecting conditions of labor. The worker, growing up in these conditions of self-respect, no longer is willing to drudge. Hence the demand for electric power."

Supplying electric light and power to the nation is not merely a business.

It is a public service that forever frees men from the tyranny of excessive burden; that spells the difference between less toil and more comfort; less confinement and more leisure; less poverty and more wealth. It is the measure of human prosperity and happiness. Every time electrical service is extended, every time there is a new labor-saving device introduced in the home or in the factory, labor is made more useful and productive, the individual is released for those pursuits which make for better government, and civilization is broadened and strengthened.

The production of electric energy in the United States

has doubled every five years since Edison invented the electric bulb. There is now generated in this country more electric power than is produced throughout all the rest of the world. If apportioned among all the workers in the United States, it would give each worker the equivalent of forty helpers. Such widespread distribution of this vital force has been made possible through the splendid zeal of the electric power companies of this country. It presents unmistakable evidence of the efficiency of the American principle of individual initiative in the development and operation of the electrical facilities of this country. The continuance of this principle is essential to maintain progress.

Commercial Club To Buy Canning Outfit To Conserve Food

The directors of the Thorndale Commercial Club authorized the secretary Henry Ross to purchase a cooker and sealer canning outfit at the last regular meeting of the club on March 22. This move was made to familiarize the people of this community with the benefits to be derived from home canning, and demonstrate the saving to be made from their use. The canner purchased by the club will be let to those desiring to use it free of charge in order to stimulate more interest in home canning and will be spaced from home to home throughout the various communities for usage. These outfits are very economical, we understand, and two or three families can save enough in one season to more than pay for its cost, by buying one on a co-operative basis, one outfit being capable of serving one or even more communities, provided no one family keeps it longer than it is

needed to supply their own needs.

The Club also contemplates buying a corn cutter to be used on a co-operative basis in this community when the season of canning corn begins. This is a very enterprising move on the part of the local Commercial Club and their efforts should be appreciated by the people in general of this community—Thorndale Champion.

School Districts Turn Down Move To Consolidate

The election held in the common school districts of Lilac, Duncan, San Gabriel and Union Ridge last Thursday, March 15, for the purpose of determining whether or not the districts should be consolidated, failed to carry in two districts, which, according to the law governing, only one district failing to return a majority for the proposition would cause the whole proposition to fail. The San Gabriel district, so we understand did not have a dissenting vote against the proposition, and were heartily in favor of the issue carrying, however, the other two districts failing to return a majority automatically defeated the consolidation. The Champion regrets to learn of the defeat of the proposition as we believe it was for the best interests of all concerned and while the time is not ripe at this time, as was proven by the election, it will only be a matter of a few years before these issues will be more popular with the rural districts—Thorndale Champion.

Ben F. Arthur, 86, Died Wednesday at Home in Rockdale

Ben F. Arthur, age 86, died yesterday morning at his home in the northwest portion of this city, after a ten day illness. The funeral was held Thursday morning. Rev. Chas. F. Smith, pastor of the Methodist church conducted the services, interment following in the Old City Cemetery.

Mr. Arthur was one of the oldest citizens of this city, both in actual age and in terms of residence here. He came to Rockdale nearly fifty years ago, when the town was a mere village, and had resided here continuously. A brother, Jim Arthur, now dead, was the first city marshal elected after the town was incorporated.

Decedent was a Confederate soldier in the war between the States, being a member of the Tom Green cavalry, and serving in the same regiment with Major Joseph W. Sayer, afterwards Governor of Texas. He saw active service throughout the war, and was a member of Camp Sam Davis, U. C. V., as long as that organization existed. For the past several years he had been in failing health, and it may be truly said of him that he "died of old age."—Rockdale Reporter.

R. M. BEARD LOST FIFTEEN TONS OF CANE BY FIRE WEDNESDAY

R. M. Beard, residing several miles south of Thorndale in the Conoley community had the misfortune of losing between twelve and fifteen tons of cane by fire last Wednesday morning at his place. When first discovered, the blaze had spread over the entire five stacks of feed and had made such progress that it was impossible to extinguish it. It is the opinion of Mr. Beard that the feed became heated in the middle of the stack, which is a common occurrence, and became ignited. The entire fifteen tons was a total loss.—Thorndale Champion.

Sheriff's Sale

THE STATE OF TEXAS,
County of Milam,

Whereas, on the 23rd day of January, A. D., 1928, in a certain cause, numbered 600 on the docket of the district Court of said county wherein the State of Texas is plaintiff and W. R. Hairrell is defendant, the said plaintiff recovered judgment in the amount of \$209.88 for taxes, and legal amount penalties, costs and interests computed thereon, together with the foreclosure of plaintiff's delinquent tax liens upon the property hereinafter described as the property of the defendant, because of non-payment of the taxes due thereon;

And whereas, on the 31st day of March, A. D., 1928, by virtue of the said judgment and the mandates thereof, the Clerk of the District Court of said county did cause to be issued an Order of Sale, commanding me as Sheriff of said County to seize, levy upon and sell in the manner and form as required by law the hereinafter described property as the property of the above defendant, to satisfy the said judgment.

Wherefore, by virtue of the said Order of Sale and the mandate thereof, I did on the 2nd day of April A. D., 1928, seize and levy upon as the property of the above defendant, the following property, to-wit:

All that certain 92 acres of land out of the Hughes Labor in Milam County Texas described as follows, to-wit: Beginning at the S. E. corner, a stake in the north line of L. L. Childs 640 acre from which a P. O. previously marked bears S. 5 E. 14 vrs. and another marked X bears S. 77 W. 3 1-2 vrs. and a black jack previously marked bears S. 13 W. 19 vrs; Thence N. 19 W. 563 vrs. to N. E. cor. of said Hughes survey from which a P. O. bears S. 52 W. 3 3-4 vrs. and a black jack bears N. 26 W. 7 vrs, Thence S. 71 W. 540 vrs. cross a branch at 923 1-2 vrs. set a stake on N. side of Cedar Creek for division corner between L. Luce and H. C. Springer, from which a Willow 12 inches in diameter bears S. 55 W. 5 1-2 vrs. marked X Thence S. 19 E. at 20 vrs. cross Cedar Creek at 523 vrs. prairie for S. W. corner of L. Luce place, Thence N. 71 E. with S. line of said Hughes survey at 550 vrs. across Cedar Creek at 923 1-2 vrs. to place of beginning containing 92 acres.

And I will on the first Tuesday in the month of May A. D., 1928, the same being the 1st day of said month, proceed to sell said property at the Court House door of said county, in the city of Cameron between the hours of 2 o'clock p. m. and 4 o'clock p. m., to the highest bidder for cash all the right, title and interest of the above defendant, in and to the above described property; subject, however, to the rights of the defendant, to redeem same in the time and manner

provided for by law, and subject to the further rights of the defendant to have said property divided and sold in less divisions than the whole. And in event there are no bidders, said property will at said sale be bid off to the State.

TINY blades of grass pierce the crust of winter, softened by spring rains and sunshine, leaf buds loose their winter cloaks, spring blossoms lift their slumber wrappings, all nature awakens from the long winter sleep and breaks through to a new season.

But it required March, the month of preparation, to make this transformation possible. So does life bring to each of us times when we would "break through" difficulties that lie between us and the things we would accomplish—perplexities that are usually financial.

It requires a "March" of preparation to make the breaking through possible—a growing account with an institution like ours, where a complete service is always available to aid customers to progress.

Sheriff's Sale

THE STATE OF TEXAS,
County of Milam,

Whereas, on the 6th day of May, A. D., 1927, in a certain cause, numbered 554 on the docket of the District Court of said county, wherein the State of Texas is plaintiff and Mrs. John T. Hill is defendant, the said plaintiff recovered judgment in the amount of Two hundred fifty-six and 51-100 dollars for taxes, and legal amount penalties, costs and interests computed thereon, together with the foreclosure of plaintiff's delinquent tax liens upon the property hereinafter described as the property of the defendants, because of non-payment of the taxes due thereon;

And whereas, on the 31st day of March, A. D., 1928, by virtue of the said judgment and the mandates thereof, the Clerk of the District Court of said county did cause to be issued an Order of Sale, commanding me as Sheriff of said County to seize, levy upon and sell in the manner and form as required by law the hereinafter described property as the property of the above defendant, to satisfy the judgment.

Wherefore, by virtue of the said Order of Sale and the mandate thereof, I did on the 2nd day of April A. D., 1928, seize and levy upon as the property of the above defendant, the following property, to-wit:

"All that certain tract or parcel of land to-wit: situated in Milam County, Texas, on the waters of Brushy Creek and a part of the John Bright One Third league and bounded as follows:
